August Edition

## Editors' Message

Welcome to our August edition! This month's theme is All About Singapore, featuring hands-on activities that deepened our appreciation for our nation's culture, history, and identity. Enjoy the highlights!

# SPECIAL LUNCH NOODLE SOUP

We had a special lunch!  
🍜 We slurped yummy  
yellow noodles in a warm  
chicken soup with sweet  
corn. It was so tasty and  
cozy! 😊✨

Slurp, slurp!

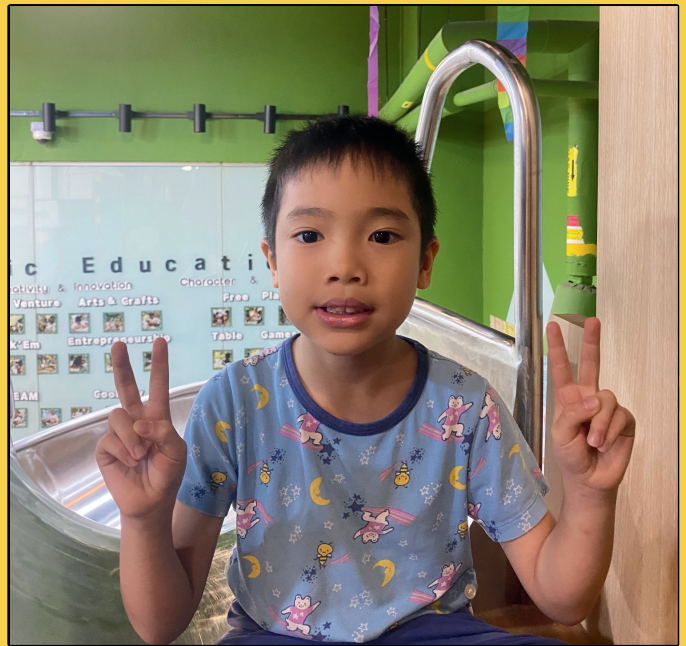

# HAPPY BIRTHDAY

Reagan

My favourite colour is **blue**. I like eating chicken rice and I also like playing with Jun Yee.

# ACTIVITIES

## COOKERY Singapore Flag

We made the Singapore flag by putting banana slices and jam on the bread. Then, we shaped a banana slice into a crescent moon and used Honey Stars to represent the five stars on the flag.

# ACTIVITIES

## STEM CHALLENGE HDB Flat Tower Challenge

We built our own paper HDB flats to see how strong and steady they were! 🏢 By folding and stacking the paper, we learned about balance, teamwork and making our buildings stable.

# ACTIVITIES

## STICK 'EM

### Earthquake Resistance Challenge

In this activity, we built buildings using chopsticks and connectors. Then, we placed our buildings on an earthquake simulator that our teacher made. Lastly, we activated the simulator to test whether our buildings could withstand the simulated earthquake.

# ACTIVITIES

## ARTS & CRAFTS Scratch Art

We made our own scratch paper and drew a Singapore icon! First, we coloured the paper with crayons then the teacher sprayed it with waterproof spray. After covering it with black crayon, she sprayed it again and our scratch paper was ready to use!

Scratch, scratch...  
surprise!
